A Century Of Netball

Netball was first played in England in 1895 at Madame Ostenburg's College. In the first half of the 20th century, Netball's popularity continued to grow, with the game being played in many British Commonwealth countries. There were no standard rules at that time with both nine-a-side and five-a-side versions of the game.

A Century Of Netball | bookstorerus.com

From the start, netball was developed as a women's sport: existing outside the sphere of male-dominated sports, netball did not encounter the initial social opposition that faced women in other sports in the early 20th century. Women's participation in netball in the early 20th century was widely accepted, as the sport avoided physical contact and did not involve male participation.
