### A Moment In The Sun

A Moment in the Sun is a big sprawl of a novel at 955 pages focusing on s sliver of time at the turn of the last century, the era of the Spanish American War. At the heart of his story is American imperialism and racism. It seems to be his intention to illuminate American traits of the past we'd easily recognize as those of today.

### A Moment in the Sun by John Sayles - Goodreads

(one's) moment in the sun A brief period of time in which one is or has been particularly successful, popular, famous, etc., especially when set against an otherwise moderate or unremarkable life. After 35 years in this one-horse town, all I want is a moment in the sun, a time when the whole world knows and loves me!
