A A S H T O | thamrin nasution

AASHTO is not going to update this Spec because it is trying to move designers and DOTs to LRFD design. They are only going to issue updates to the LRFD Specs so the 17th edition is really the final revision of the 16th. By this logic if you use the 17th edition you are using the 16th. You would be correct to use the latest edition for your ped ...
