Asko D3350 User Guide - Page 24 of 40 | Manualsbrain.com

I have an ASKO D3350 dishwasher. The drain pump keeps running even though the dishwasher is empty of water. It's displaying an F2 code, which means "water overfill". The stop/start button, and the main on/off switch don't do anything, and the only way to turn off the unit is by unplugging it.
