At The Zoo

" At the Zoo " was one of Simon & Garfunkel 's single releases in 1967. The song is one of Paul Simon 's many tributes to his hometown of New York City, and was written for the soundtrack of The Graduate, specifically the scene which takes place at the San Francisco Zoo. However, the song was not used in the film.

Tips for the perfect New York Strip. I recommend using a heavy pan such as a cast iron or an enameled pan to get a nice crust on your steak. While I really like the flavor of the garlic and the thyme with the meat, you can use other herbs such as rosemary, sage, or add a sprinkle of fresh parsley or basil at the end of the cooking time.
