Education - Education -  
The spread of Western  
educational practices  
to Asian countries:  
Originally the British  
went to India as  
tradesmen, but  
gradually they became  
the rulers of the  
country. On Dec. 31,  
1600, the East India  
Company was  
established, and, like  
all commercial bodies,  
its main objective was
