Japan is a land of peace and harmony that continues to evolve in a positive unification of tradition and modernisation. With its elaborate and colourful history and culture, Japan has formed a distinct model of hierarchy, honour and etiquette that is still reflected in many social and business practices today.

Japan Cross-cultural and Language Training | Communicaid

Cross-cultural communication, as with many scholarly fields, is a combination of many other fields. These fields include anthropology, cultural studies, psychology and communication. The field has also moved both toward the treatment of interethnic relations, and toward the study of communication strategies used by co-cultural populations, i.e., communication strategies used to deal with majority or mainstream populations.
