From the Corner of the Oval is a fun and highly entertaining read. From her hilarious process of getting hired as one of Obama's stenographers to her final days at the White House after President Obama leaves, the book is informative, at turns hilarious, and always chock full of tales about life at the White House.

Dean Koontz's "From the Corner of His Eye" is probably the best book ever written by a man who has had more than his share of great reads. Rare is the storyteller who excels not only at spooking us, but also at making us realize how beautiful the world and its inhabitants can be. I recommend this book whole-heartedly.
