God Time And Eternity The

In Time and Eternity, William Lane Craig defends the remarkable conclusion that "God is timeless without creation and temporal since creation." Craig argues his case philosophically by carefully weighing evidence for and against divine temporality and personhood in light of dynamic versus static theories of time and their warrants, in turn, in a Lorentzian interpretation of special relativity and an objective, mind-independent theory of becoming, including fascinating excursions into Big ...

Is God's eternity to be construed as timeless or temporal? Given that the universe began to exist, a relational view of time suggests that time also began to exist. God's existence "prior to" or sans creation would not entail the existence of time if God in such a state is changeless. But if God sustains real relations with the world, the co-existence of God and the world imply that God is temporal subsequent to the moment of creation.

God, Time & Eternity | Scholarly | Reasonable Faith

It knows linear time only...' He maintains, 'Primitive Christianity knows nothing of a timeless God. The "eternal" God is he who was in the beginning, is now, and will be in all the future, "who is, who was, and who will be" (Rev. 1:4).' As a result, God's eternity, says Cullmann, must be expressed in terms of endless time. When we speak of God as eternal, then, we may mean either 'timeless' or simply 'everlasting'. The question is: which understanding of God's ...

God, Time and Eternity - Time - CS Lewis Society of California

Traditionally, God's eternity has been understood in terms of timelessness. God simply transcends time; He doesn't exist in time. He doesn't exist now, but He exists simply timelessly. Great proponents of this view have been people like St. Augustine, Boethius, Anselm, and Thomas Aquinas.

God, Time & Eternity | Popular Writings | Reasonable Faith

The Lord does not count time as we do. He is above and outside of the sphere of time. God sees all of eternity's past and eternity's future. The time that passes on earth is of no consequence from God's timeless perspective. A second is no different from an eon; a billion years pass like seconds to the eternal God.

What is God's relationship to time? | GotQuestions.org

Some believe that God exists outside of time and does not experience it as we do, instead existing in an eternal now. Past, present, and future are the same to Him. Others think that God does experience time but is not limited by it as we are. He exists in time at all times and has always done so.

God, Time, and Eternity | Theology | Today in the World

The Lord Jesus Christ continually lived in time for our sakes, and in eternity by His very nature. It is in this sense that He could speak of Himself while on earth as "the Son of man which is in heaven" (John 3:13).

Time and Eternity (Vol.6) - Pt.I, CH.4

In philosophical discussions about God and time, the term "eternity" has been used in different ways. On one usage, which will be followed here, "eternity" stands for the relationship to time that God has, whatever it is. When used in that way, the term is neutral between different ways of spelling out what God's relationship to time is.

Eternity in Christian Thought (Stanford Encyclopedia of ...

As God, although incorporeal, is named in Scripture metaphorically by corporeal names, so eternity though simultaneously whole, is called by names implying time and succession. Reply to Objection 5. Two things are to be considered in time: time itself, which is successive; and the "now" of time, which is imperfect.

SUMMA THEOLOGIAE: The eternity of God (Prima Pars, Q. 10)

Isaiah 57:15 says that God "inhabits eternity." When we say things like "God is timeless" or "God has no beginning or end," we are trying to explain God in terms of a dimension by which He is not constrained.

What is the relationship between God and time?

The idea of eternity as it relates to God is an important concept in theology. Theists say that God is eternally existent. How this is understood depends on which definition of eternity is used. On one hand, God may exist in eternity. One other definition states that God exists outside the human concept of time, but also inside of time.

God and eternity - Wikipedia

The Lord thinks and acts in terms of Eternity. When he gives us commandments they are meant to aid us for the rest of eternity. To God, the time we spend here is part of that eternity. Eternity is not something separate that happens later, now is just a continuation of yesterday and last year.

What is the Difference Between Time and Eternity ...

God is beyond time altogether. It could be said that although God does not exist at any time God exists at eternity. That is, eternity can be seen as a non-temporal location as any point within time is a temporal location. Second, it is thought that God does not experience temporal succession.

God and Time | Internet Encyclopedia of Philosophy

God, Time, and Eternity: The Coherence of Theism II: Eternity. Those who think about time are thinking deeply. Those who think about God are thinking even more deeply still. To try to think about both at once is to press the very limits of human understanding. William Lane Craig tries to grasp the nature of divine eternity, to understand what is meant by the affirmation that God is eternal, to formulate a coherent doctrine of God's relationship with time.

The Gods - Time and Eternity (Genesis 1968) with Ken Hensley (Uriah Heep)

Eternity is the dimension of God's own life. It has no beginning and no end, no parameters or margins or boundaries outside of God himself. On the other hand, time was willed and created by God as a reality distinct from himself. In his treatment of the world, Augustine again proves to be original in his thinking.
