Most people live in the southwestern states, or in cities along the Pacific coastline. Cable cars run throughout the hilly California city of San Francisco. The cars fasten on to a constantly moving wire cable, gripping it tightly on the way up a hill, and then releasing it to glide down the other side.

Australia - Australia - People: Today the population of Australia consists of more than 270 ethnic groups. Until the mid-20th century, however, Australian society was, with some accuracy, regarded in the wider world as essentially British—or at any rate Anglo-Celtic. The ties to Britain and Ireland were scarcely affected by immigration from other sources until then.
