Linksys Network Switches - Home Office, Gaming Switches

Expecting a good product from Linksys, especially since they were acquired by Cisco, I purchased the SD208 8-port 10/100 switch. I put it on my network and the problems began. Any time I would attempt to transfer large volumes (1GB+) of data between two of my PC's the switch would freeze up on me and I'd have to unplug it and plug it back in to regain network connectivity.
