Michelin Fleet Solutions: From Selling ... - The Case Centre

A comprehensive tire management solution was launched by Michelin in the year 2000 called as Michelin Fleet Solutions (MFS). The main motive of the management of the company in order to adopt this system was that the management of the company wanted to maximize the length of the tires of Michelin so that it satisfied the customers and they were less reluctant to pay any price premium set by the company.

Michelin Fleet Solutions: From selling tires to selling ...

In 2000, Michelin made a giant leap by expanding its remit from solely being a manufacturer of tires to becoming a service provider through the launch of the Michelin Fleet Solutions (MFS) [3]. Michelin's tires were traditionally priced at a premium and the idea was to create a value-added service for large vehicles fleet operators.
