The online and paper Challenge will both run from the 26th-29th April and the results of both combined. We hope this will make it easier for you to find available space and time and allow you to run the Challenge in smaller sessions to adhere to social distancing requirements, if relevant at the time.

Junior Mathematical Challenge | UK Mathematics Trust

There are two papers: Grades 4-5 learners write the Junior paper and Grades 6-7 learners write the Senior paper. Learners have 90 minutes to solve 15 challenging mathematical problems. An important aim with the Final Round is for learners to interact with others in the context of mathematics – mathematics is a social activity and we communicate with and about mathematics!
