### Privacy in the New Media Age by Jon L. Mills

Balancing personal dignity and first amendment concerns has become increasingly challenging in the new media age, when, for example, bloggers have no editors and perhaps no moral restraints. Unlimited and unrestricted internet speech has left thousands of victims in its wake, most of them silenced after the media cycle moves on.

### Privacy in the New Media Age - Kindle edition by Mills ...

Such is the case with the seemingly sudden loss of privacy in the age of new media. I find remarkable the degree that Americans have given up their privacy. It is my contention that had either the government or private entities worked so hard to strip our property, freedom of religion, or freedom of speech as they have to take away privacy, there would have been civil revolt.

NEW YORK (AP) — Tucker Carlson says The New York Times wants to put his family in danger, the newspaper says he knowingly lied and now the Fox News host's fans are taking up the fight. The latest media conflagration flaring Tuesday is more than ideological, with issues of personal privacy and safety at its heart.
