Red Bones is the third book in Ann Cleeves' Shetland series – a major BBC1 drama starring Douglas Henshall. When an elderly woman is shot in what appears to be a tragic accident, Shetland detective Jimmy Perez is called to investigate the mystery. The sparse landscape and the emptiness of the sea have bred a fierce and secretive people.

Red Bones (Shetland Book 3) - Kindle edition by Cleeves ...

'Red Bones' by Ann Cleeves is the third in her popular Shetland Island mystery series, and I think it is the best so far. This novel takes us to the island of Whalsay in the Shetlands, and this setting, so different from other places in the world, enhances the novel's charm.

Amazon.com: Customer reviews: Red Bones (Shetland Book 3)

As Red Bones, the third instalment of Ann Cleeves' Shetland Quartet, is set in spring: a time of rebirth and celebration. And a time of death... for April is the cruelest month. Perhaps that's why Red Bones was chosen as the basis for Shetland, a new two-part crime drama set in Scotland and starring Douglas Henshall.

Ann Cleeves: Red Bones, the third book in the Shetland Quartet

I enjoyed Red Bones which is the third book in the Shetland series. As with the first two books, Ann Cleeves brings Shetland vividly to life. She has a wonderful ability to transport readers to her chosen locations which creates a very strong sense of place. In terms of the story, Cleeves tends to let things unravel at a somewhat leisurely pace.
