Reflections on Teaching: From Surviving to Thriving November 8, 2018 Chris Palmer I had known it all along at some level, but now it suddenly became glaringly obvious to me. Deep down, sometimes out of conscious reach, students want to be transformed and their lives made more useful, productive, and powerful.

Reflecting on your teaching is a way to

# File Type PDF Reflections On The Teaching Of Programming Methods And Implementations

make you aware of how you teach. It is a method for self-assessment. If we don't reflect, then we are teaching "in the dark" without knowing if we are effective and if we should modify our teaching.

Reflecting requires us to answer a number of questions, including the following:
