However, Scribd is not free. It does offer a 30-day free trial, but after the trial you'll have to pay \$8.99 per month to maintain a membership that grants you access to the sites entire database of books, audiobooks, and magazines. Still not a terrible deal!

Technical Communications 6th Edition

Proper technical communication is a paramount skill to learn, however, this book is severely impractical and outdated. My best guess is that the author was told to write a book on technical communication, yet she lacked the requisite knowledge of the underlying subject (at least to be practical within the last 15 years).
