The Functions Of The Executive

The Functions of the Executive is a book by Chester I. Barnard that presents a "theory of cooperation and organization" and "a study of the functions and of the methods of operation of executives in formal organizations.":xi-xii It was originally published in 1938; a Thirtieth Anniversary edition, published in 1968, is still in print. The book is notable for its focus on how organizations actually operate, instead of previous approaches to organizations that emphasized "prescriptive principles."
