The Great Sea A Human

Ranging from prehistory to the 21st century, The Great Sea is above all a history of human interaction. Interweaving major political and naval developments with the ebb and flow of trade, Abulafia explores how commercial competition in the Mediterranean created both rivalries and partnerships, with merchants acting as intermediaries between cultures, trading goods that were as exotic on one side of the sea as they were commonplace on the other.

The Great Sea: A Human History of the Mediterranean. In this work of a lifetime dedicated grandly " a la memoria de mis antecesores ", David Abulafia surveys a Mediterranean world from a hunters' camp near Rome, set up "435,000 years before the present", until now. Two generations ago, Fernand Braudel used the techniques of the Annales School to delineate "the Mediterranean world in the age of Philip II" and, given his preference for the *longue durée* over *histoire événementielle*, he ...

The Great Sea tells the story of the Mediterranean, starting in 22000BC up to the year 2010. Now, that's a whole lot of years, and while this book is long, it's really not long enough to go too in depth in any one period or timeline.

Review | The Great Sea: A Human History of the ...

The Great Sea ranges stupendously across time and the whole extraordinary space of the Mediterranean from Gibraltar to Jaffa, Venice to Alexandria. Rather than imposing a false unity on the sea and the teeming human activity it has sustained, the book emphasises diversity - ethnic, linguistic, religious and political.
