The Initiative for a Competitive Inner City (ICIC) is a national, not-for-profit organization founded in 1994 by Professor Porter. The ICIC seeks to spark the revival of inner cities by bringing market-based approaches to economic development in these distressed areas. Its mission is to help inner cities create jobs, income and wealth for local ...

Economic Development in Inner Cities - Institute For ...
The term inner city has been used, especially in the US, as a euphemism for lower-income residential districts, sometimes but not exclusively referring to African-American neighborhoods, in a downtown or city centre area. Sociologists sometimes turn this euphemism into a formal designation, applying the term "inner city" to such residential areas, rather than to geographically more central ...

Urban decay (also known as urban rot and urban blight) is the sociological process by which a previously functioning city, or part of a city, falls into disrepair and decrepitude. It may feature deindustrialization, depopulation or deurbanization, economic restructuring, abandoned buildings and infrastructure, high local unemployment, increased poverty, fragmented families, low overall living ...

Urban decay - Wikipedia
This is the same sort of eco-system transformation that is needed in and for our inner-city, under-served and so-called poor communities and neighborhoods. And it can be done. Just look at this short video, and the impact that Ambassador Young and I had in a short one-hour session, at the B.E.S.T. Academy School here in Atlanta.

Why Thug Culture Is Actually Our Inner-City Problem | HuffPost
In 2012, New York City had 414 murders, a record low. And if that sounds like a lot, keep in mind that this is for a city of over 8 million residents. For some perspective, that rate is pretty low when compared to somewhere like Joao Pessoa in Brazil. This city of 723,515 had 518 homicides in 2012, ranking 10th in the world.

Health Impact: The Pros and Cons of Living in a City
18. It is understood that entry to all inner city electronic venues and locations are subject to capacity and operate a one in one out policy once a venue or location reaches it's capacity. Tickets are sold with the subject to the understanding they do not guarantee entry to inner city electronic venues and locations at any given time.

Terms and Conditions - inner city electronic
For decades, educators have been trying to bring inner city children up to par with their suburban counterparts and have failed miserably. School takeovers, grants, SmartBoards, computers, Head Start, and a host of cure-all programs have done little to balance the success of the haves and the have-nots.
