### The Postmodernism Debate In Latin

These essays examine the ways in which postmodernism not only designates the effects of this transnationalism in Latin America, but also registers the cultural and political impact on an increasingly simultaneous global culture of a Latin America struggling with its own set of postcolonial contingencies, particularly the crisis of its political left, the dominance of neoliberal economic models, and the new challenges and possibilities opened by democratization.

### The Postmodernism debate in Latin America (Book, 1993 ...

Postmodernism in debate might seem to be a fait accompli. After all, the multi- plicity of paradigms could testify to the lo- calization of epistemological claims, thereby enacting the postmodern admonition to "give up the luxury of absolute Truths, choosing instead to put to work local and provisional truths" (Marshall, 1992, p. 3).
