This is where the archetype for the virgin-obsessed vampire comes from. Ever since, creators of these stories have tortured and celebrated the idea that female sexuality comes in just two shades: vampy (the evil female vampire who uses her sex appeal to lure her prey) or virginal (the doe-eyed girl who must be steered away from the temptations of a mysterious, foreign man).

My guess is that if the young vampire gets lucky after being turned, then they are no longer a virgin but nothing else happens. Metaphorically, they've no innocence left to lose after falling from humanity. It could be said that in the series, a young vampire's first time draining a human is analogous to the act of losing one's virginity. level 1
