Williams, Marion; Burden, Robert L. This  
guide provides second language  
teachers at all educational levels with  
background information about  
educational psychology to assist them in  
daily classroom instruction and to  
provide a framework for viewing  
teaching and learning situations. The  
first two chapters are a brief introduction  
to educational psychology, noting  
important influences on its development  
and their relevance to second language  
instruction.

## **Motivation in second and foreign language learning ...**

Williams and Burden (1997) differentiate three stages of the motivation process in language learning: (a) reasons for doing something, (b) deciding to do something, and (c) sustaining the effort, or persisting, with the first two of these being related to undertaking the effort and the last to persevering in pursuing the goals set.
